About Continucare Corporation

Continucare provides primary care physician services on an outpatient basis through a network of medical facilities and independent physician affiliates (IPAs) in the State of Florida. The Company has 18 medical offices equipped with state-of-the-practice technology and staffed with experienced physicians and a comprehensive support staff. In addition, Continucare provides health practice management services to IPAs who practice primary care medicine in facilities similar to the Company's medical offices. Continucare assists these physicians with medical utilization and pharmacy management and specialist network development, freeing them to devote more time to patient care. Currently, through its network of medical facilities and IPAs, the Company provides health care services for approximately 42,000 patients. For more information please visit www.continucare.com.
